Regarding: Chesterton Academy Benefit Gala Sponsorships

To Whom It May Concern,

Chesterton Academy of the Willamette Valley is a non-profit classical high school where students enjoy an integrated, content-rich curriculum that forms the whole person in the harmonious relationship of faith and reason. Our students benefit from a broad exposure to many different disciplines, which helps them to expand their interests and gives them the ability to think critically to become active and informed members of society.

We are excited to announce that Chesterton Academy will be offering sponsorship opportunities for the first time at our 5th annual Gala, which will be held on Saturday, November 5, 2022. This event is our primary fundraiser and will feature student performances, live music, dinner, a dessert auction, and an ask to benefit the students and our Academy. However, we also depend on the support of our friends in the business and farming communities to provide us with the financial support needed to make this event a success.

Would you be willing to make a monetary gift to represent your business as a partner of Chesterton Academy of the Willamette Valley? Your generous contribution to our Gala will help support the quality education that we are providing to our students. Below you will find information on donor tiers and a form to include with your gift; our Gala committee will mail you a signed receipt for your records. If you would like to give an amount not listed as a tier, please feel free to do so. **All sponsorships must be received by October 28th.**

On behalf of the parents and students of our school, we wish to thank you for your thoughtful consideration in supporting a Chesterton education. For any questions you may have, please contact Board President Rolando Moreno at 503-851-6570 or romoreno1210@gmail.com.

Sincerely,

Chesterton Academy Board of Directors
